New adopters, usage, and feedback

New adopters, usage, and feedback

- **How to encourage adoption?**

  Proposal → Start by using it ourselves. Examples:

  o <u>Jaap Neven</u>: KU Leuven PhD research intensively uses BOPTEST.

  o <u>Jorge Molino</u>: New intern from a collaboration between Wedoco & Seville University.
  → Topic: Optimal control in buildings using BOPTEST.

IBPSA Project 2
